

Delivering Tomorrow's Automation Today

December 1, 2021

Hello Friends,

The year-end holidays are fast approaching, and we would like to inform you of our scheduled closure over the upcoming Christmas and New Year holidays. This closure will enable our employees to spend quality time with their friends and families.

In order to minimize the impact to our customers, vendors, and suppliers during this upcoming holiday season, please see details below:

- Acieta will be closed from December 22nd, 2021 until January 3rd, 2022. We will reopen Monday, January 3rd, 2022.
- Certainly, as always, service will be available throughout the holidays to handle urgent service or part requests. Contact 844-4-ACIETA for 24-hour urgent support.
- For all sales inquiries, please reach out to your Acieta sales representative directly or via the Acieta website. You will be contacted no later than Monday, January 3rd.
- Please submit all sales and service orders by December 17, 2021 to ensure a confirmation of order prior to the end of the year.

Thank you. We appreciate your patience, flexibility and understanding as we take time to spend this holiday season with our friends and families.

Happy Holidays from our family to yours!

Sincerely,

A handwritten signature in black ink, appearing to read 'Robby Komljenovic'.

Robby Komljenovic
Chairman & CEO, Acieta
